

## CRS Remote Cash Drawer Mounting Kit

### Part Number 522002

- Kit contains four (4) universal mounting brackets for standard or deluxe cash drawers.
- Brackets are built with four “breakpoints” at points A, B, C & D. Adapt the brackets to your installation by breaking off un-needed material. Use a pliers to break; some filing may be necessary to remove rough edges.

*Note that the brackets are built with one 5" leg and on 5 3/8" Leg.*

*Remove feet from the base.*

*Use the screws that secure the feet to the base and mount the cash drawer to the bracket as shown.*
